

BIRD HUNTING

Olex Preserve offers a variety of services to fit each individual's needs. Hunts can be tailored to new hunters or season veterans. Guided or unguided hunts for pheasant, chukar or quail are available September 1st through March 31st. Guided hunts are with experienced pointer or flushers.

DOG TRAINING YEAR AROUND

Don has been training bird dogs with positive reward based training for years. We can help you train your dog. You can do a 1/2 day training session or an overnight package with 2 training sessions. Or if you prefer, we can board and train your dog. The cost of birds used during the training sessions are extra.

Don also does pet dog basic obedience training

DOG BOARDING

Olex Preserve has boarding available for your Dog. We have 4' X 8' inside runs with 4"x12' outside runs. There is also an outside yard for them to run in several times a day.

TRAP SHOOTING

Olex Preserve has a variety of traps and challenge for beginner to advanced shooters. Don is also a shotgun instructor if you would like to learn how to shoot or improve your skills.
